**THEME** will be **"REUNION FIRSTS"**. Some of the items displayed will be a large An-

**We have done:** Dick Lusch, Historian continues to add genealogy information to the Family Tree Maker software program. Currently there are **4552** individual names, **1651** marriages, **19** generations and **1197** individual surnames in the program. Earliest birth year is **1570** (Jagli Detwiler, 5th great grandfather of Henry R. Detwiler). Most recent birth is 23 July 2018 (Leo Towers Pluschke, 4th great grandson of Abraham Detwiler). An updated genealogy CD dated Sept. 7th, 2018 and the original genealogy

framed Detwiler Family Reunion photo, taken at the First Reunion held on September 30, 1897, owned by the Fetters family; an enlarged copy of the First published write-up in The Daily Republican in 1900 at the fourth Reunion where 180 attended. **Please bring a note card with your "First Reunion Memory" or "any reunion memory" for you and your family to add to our Display Board.**

**2018 Highlights: "Collectibles and Crafts"** was the focus for the 2018 Reunion which included an antique quilt done on a loom, cross stitch pieces, framed sketches, bookends and needle work. Plans were discussed for ideas to be used at the 125th Detwiler Family Reunion in 2021. **See back page for Cookbook update.**

Children enjoyed a Slip and Slide, made crafts to take home under the direction of our Vice President, Jean Schwartz and Pam Schwartz along with games enjoyed on the premises of Camp Innabah.

gy hand kept documents are available at the Historical Society in Phoenixville for everyone to access. This will be updated in September after the 123rd Reunion..

**We would like to:** Keep all family genealogy information current by members contacting the Historian, with updates about family births, marriages, deaths and other information throughout the year as it becomes available.

**WATER SLIDE:** Again this year we will have our great big water slide for the kids. Bring towels and a change of clothes. Volunteers are needed to help Pam Schwartz with the children's activities. Come and join the fun.

**CHILDRENS CRAFTS:** If your children like the crafts that we do every year, this year we are trying to outdo last year's craft. That may be hard to do, But come and find out.

**Family Tree Maker (FTM):**

The Software Mackiev Company enhances and updates the FTM program periodically. I renewed our domain name ([detwilerfamily.org](http://detwilerfamily.org)) for 5 years (expires on 7/20/2024) at a discounted cost of **\$147.96**.

**REMINDER:** Don't forget to bring your **"First Reunion Memory Note Cards"** for display and a covered dish to be shared for all to enjoy

## DETWILER COAT OF ARMS

## DETWILER COOKBOOK UPDATE FOR THE 125th REUNION by Jean Schwartz

Jean Mackey Schwartz is putting together a new updated version of our Detwiler cookbook. Do you remember when your grandmother or great grandmother use to sit with the grand ladies under the trees? You remember their faces but not their names. We are asking that you would submit your family favorite recipe or recipes created by someone in your family along with their name and picture.

As an example, Erma Detwiler, wife of Russell Detwiler used to make a homemade potato salad from scratch. You may remember that she was a lady with red hair but not her name. If you know what branch of the tree they are from that will also be helpful. Russell Detwiler was from the Isaac Detwiler branch.

You may send your recipes along with your pictures either by email to: [jeanschwartz@hotmail.com](mailto:jeanschwartz@hotmail.com) or by mail to: Jean Schwartz, 2 Rosewood Lane, Phoenixville, PA 19460. Better yet why don't you bring them with you to the reunion. We are hoping to have the new cookbook completed by next year's reunion, so please submit your recipes by March 1, 2020.
