We have use of refrigerator and freezer for our needs. **PLEASE NOTE: KIDS GAMES and CRAFTS** will be available outside with "Shared Space" as other activities will be going on. 2021 HIGHLIGHTS: Family members gathered on Saturday 21, 2021, to celebrate the 125th Detwiler Family Reunion. Anniversary Cakes were shared by all which had a replicas of Henry and Catherine Detwiler's Homestead and a joint photo of the couple. Detwiler Family Reunion DVDs 100 years 1896 to 1996 were provided by David Fetters and available for purchase by attendees. Attendance was smaller this year caused by the COVID pandemic. Family shared memories of past Reunions and shared ideas for future family Reunions.

Historian Updates: I continue to add genealogy information to the Family Tree Maker software program. Currently there are **4629** individual names, **1673** marriages, **19** generations and **1209** individual surnames in the program. Earliest birth year is **1570** (Jagli Detwiler, 5th great grandfather of Henry R. Detwiler). Most recent birth is 16 June 2021 (Josephine Eliza-Petertil Fisher, 4th great granddaughter of John Detwiler). Updated genealogy CDs and the original 12 genealogy hand kept docu-

ments are available at the Historical Society in Phoenixville for everyone to access. New updates will be done after the 126th Reunion. Send updated information on births, marriages, deaths, etc. as well as other information as it occurs throughout the year to the Historians Email above or the home address in the sidebar.

Family Tree Maker (FTM):

The Software Mackiev Company enhances and updates the FTM program periodically and maintains a direct connection

with Ancestry.com so that we can keep a privatized Detwiler genealogy file on their site. Our domain name (detwilerfamily.org) is registered with Network Solutions and expires on 7/30/2024 .

REMINDER: Don't forget to bring a covered dish to be shared for all to enjoy.
